Headline:
Brightening up after a cloudy start on Sunday. Trending warmer.

Today:
Starting largely cloudy, especially in northern areas. Brightening up through the morning, with sunny spells developing for most, although perhaps remaining cloudier in the northwest. Warm inland, but somewhat cooler near coasts. Maximum temperature 24 deg C (75 deg F).

Tonight:
Plenty of evening sunshine to end the day. Remaining dry and mostly clear overnight, although perhaps a little more cloudy in the far northwest. Mild. Minimum temperature 12 deg C (54 deg F).

Monday:
Mainly dry with lengthy sunny spells, although sunshine a little hazy at times. Risk of a very isolated shower in the afternoon. Very warm, especially inland, in light winds. Maximum temperature 26 deg C (79 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday, largely dry with sunny spells. Very warm or hot. Similar on Thursday, but cloudier with a risk of heavy thundery showers. Breezy on coasts at times.
